

CORE PLUS & CORE

JULY 8TH - AUGUST 19TH

Renton Aspire Academy offers skaters a comprehensive program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

Everything you love about our CORE classes PLUS an additional 30-minutes of on ice training to introduce skaters to components of skating necessary to be a competitive skater but often overlooked in traditional Learn to Skate classes.
