ON & OFF ICE SKILLS

SEPTEMBER 5 - DECEMBER 5

The Renton Aspire Academy program is the bridge between Learn to Skate group classes and advanced Figure Skating training classes. Through the development of athleticism and artistry, skaters build a solid skill foundation that drives success on and off the ice.

Renton Aspire Academy offers skaters a comprehensive program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

Sno-King Renton offers 30 minute specialized skills classes which include: power, edge, ice dancing, off-ice conditioning and stretch etc.
