# ON & OFF ICE SKILLS

The Renton Aspire Academy program is the bridge between Learn to Skate group classes and advanced Figure Skating training classes. Through the development of athleticism and artistry, skaters build a solid skill foundation that drives success on and off the ice.

Renton Aspire Academy offers skaters a comprehensive program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

Sno-King Renton offers 30 minute specialized skills classes which include: power, edge, ice dancing, off-ice conditioning and stretch etc.
